

podcasts

The Edges of Life lectures are beginning to appear on the UA LTC Podcasting site:
<http://podcasting.arizona.edu/edgesoflife.html>

iTunes U:
Open iTunes
Under iTunes Store go to iTunes U
Under Universities go to University of Arizona
Under University of Arizona go to "Heard on Campus" -- there you are

Tree of life

The tree of life

- Classification of life: Linnaeus
- Phylogenetic (=evolutionary) relationships among living organisms: Darwin
- Modern systematics: Five kingdoms - Margulis

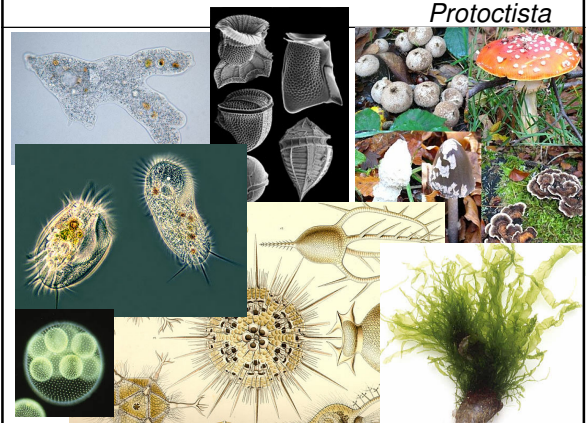

<http://www.tolweb.org/tree/>

Tree of life

Protocista

More colonial invertebrates

So far...

- Roy Parker: origin of life
- Jonathan Lunine: life on other planets
- Mike Rosenzweig: speciation, extinction, and human impact
